SHOW OUR COLORS . . . RED AND BLACK!

Our Marching Band, including Poms, and Rifles, has won numerous awards this year, under the very capable direction of Mr. Joe Owens. It won second place in the Veiled Prophet Fair Parade, which included a 3,000 prize. In Class A competition at O'Fallon, Illinois, the band placed first in Drum Major, Brass Section, and Percussion competitions. It tied for first in Woodwind competition with Salem High School.

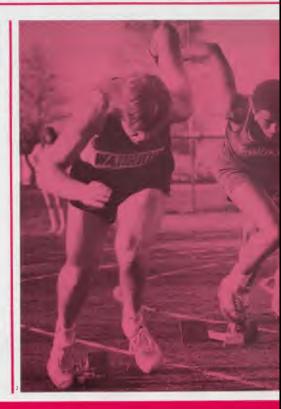

In class A competition at Washington, Mo, it placed first in Parade and fifth in Field competition. It performed at St. Louis Bush Stadium prior to the third game of the National League Championship. It placed third in Marching Band competition in Alton in October. The organization planned a trip to the Blue Bonnet Bowl in Houston, Texas, over the New Year.

BOARD OF EDUCATION 1986

The seven member board of education for Community Unit #9 School District is elected by the voters, serving the people of this school district without pay. In 1985, Thomas Miošky retired from the board, leaving a vacancy, and Ruth Lahr, Allan Crider, and L. Monroe Worthen were up for re-election. Worthen, the senior member of the board, who has served since 1960, was the leading vote getter out of a field of ten, winning another term. Alan Crider was re-elected to his seat on the board, and Gerald McKechan, a former teacher and coach in Granite City, was elected a new member. Ruth Lahr was deleated, and kolene Travis-Terrel was elected a new member.

The newly reorganized board has chosen E. Dewey Melton as the president until November, 1986. Gerald McKechan was chosen secretary of the board, and L. Monroe Worthen was elected school treasurer.

The function of the board of education is to determine the basic policies to be followed by the staff and students of the school district. We wish them well in this difficult endeavor.

DR. MAX E. REDMOND SUPERINTENDENT OF SCHOOLS

Granite City Community Unit #9 School District is very fortunate in having a new superintendent for the school year 1985-86. Dr. Redmond held positions in Missouri and lowa before coming to Granite City. After completing a B.S.E.d. degree in mathematics at Arkanass State University, he laught math and coached at Touscumbia, Mo. He was a high school principal and math teacher at Springfield, lowa, and after completing a M.S. Ed. degree at Arkanass State, he became Superintendent of Schools at Central City, lowa. He was Assistant Superintendent at Fort Madison, serving from 1974 through 1980, while at the same time earning a Ph.D. degree in Administration and Education from the University of lowa. In 1981, he was Superintendent of Schools at Hayti, Mo., and from 1983 to 1985, he was Superintendent at Braggadocio, Mo.

Or. Redmond is strongly committed to excellence in education. He feels that the only real opportunity for many children is an education, and that children, as well as others, achieve more when more is expected. He believes that cultivating a positive self-image in children and creating a proficiency in basic skills should be two of our top educational priorities.

The Staff and student body of Granite City Senior High School welcome Dr. Redmond to our school district. We wish him the utmost success in achieving his educational goals within our school district.

GRANITE CITY SENIOR HIGH SCHOOL

MR. GILBERT V. WALMSLEY PRINCIPAL

Mr. Walmsley was born and raised in East Alton, Illinois. He graduated from S.L.U., Carbondale, in 1963. In 1965, he received a master's degree from S.L.U., Edwardsville, in School Administration and Guidance.

He began his teaching career in 1962 in St. Louis. In 1963, he came to Grante Gity as an instructor in industrial arts and driver education. He later became a guidance counselor at the Senior High. He was Principal of Parther Junior High for two years, then became Principal of High School North, until it was closed in 1983. He then became Principal of the combined high schools, the Senior High. With some 3200 students, it is one of the largest high school in the state.

Mr. Walmsley addresses the graduation class of 1985.

Mr. Walmsley accepts a lighted lantern as a token of friendship from a Japanese educational delegation to Granite City, in the fall of 1985.

ADMINISTRATIVE STAFF

ASSISTANT PRINCIPALS

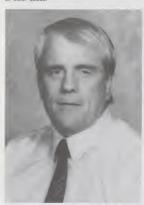

MR. VICTORY BUEHLER

Mr. Buehler gradusted from Illinois State University with Bachelor of Science and Master of Science degrees. He is in charge of scheduling and grade reporting. Both he and Mr. Schuman help out at a school events, such as athletic events, plays, and dances. Mr. Buehler is also in charge of the summer school program.

MR. FRED SCHUMAN

Mr. Schuman graduated from S.I.U. with B.S. and M.S. degrees, as well as a Specialist Certificate in Education Administration. He taught at Webster Grade School, and was Assistant Principal at Grigsby Junior High for four years. Mr. Schuman is in charge of student discipline as well as other duties.

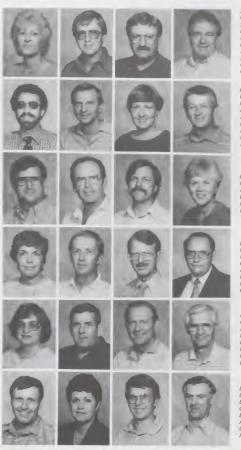

Mr. Walmsley escorts the group of Japanese educators through our cafeteria line on their recent visit, here.

Superintendent Redmond and Principal Walmsley seated with the delegation of distinguished Japanese educators who came to Granite City in order to study our educational system.

CUSTODIANS AND TEACHER AIDES

TEACHER AIDES

Teacher Aides play a very important role in the lives of the handicapped students who attend school here. They help the students off the buses and escort them to their classes. The aides also help the students at lunch. The aides assist the teachers in the classroom, as well, by preparing dittos and helping with the assignments.

Teacher Aides are Bea James (left), Kathleen House (right), Nelda Sanders and Barbara Schmedak. (not pictured).

Granite girls discuss the strategy for the second half of the Collinsville game.

The first Granite City Warrior girls' soccer team ended an excellent season with eight wins and three losses. It was coached by Mike Velloff and Captained by Kathy Thornsberry, Maria Parra, and Dawn Schwartz. The lady kickers faced many tough teams from Missouri, such as McCluer North, Riverview Gardens, and Hazelwood. The only competition on this side of the river was Collinsville. The Warriors battled the Kahoks in two tough matches, splitting the victories, one each. This was another small step for Granite High School Soccer, and a large starting step for GIRLS.

GIRLS ADVANCED TO STATE!

The Birls' Cross Country Team had one of the most successful seasons ever in 1985. The team members: Seniors; Lora Wiser, Lisa Wiser, Faye Patton. Juniors; Shella Noel, Kim Ames. Sophomores; Marian Finn, Melody Witt. These seven made up the Birls' 1985 Cross Country Team. The Team had 5-Wins, 43-Seconds, 2-Thirds, and 1-Fourth. The team finished 19th at state. In most of these meets there were between 7 and 20 teams participating each meet.

The Boys' Cross Country Team had a successful season, also, this year. The Boys' Team was led by Seniors, John Varadian, Todd Isom, and Charlie Porter. In the top seven were Juniors, Paul Brandt, Mike Charbonnier, and Freshman, Mike Patterson. The boys competed well at all seven invitationals, winning the McCluer North Quad Meet. Although the boys didn't advance to State, they had a very good season.

The 1985 girls' tennis team was a group of determined girls. Against Woodriver in the final match, the girls pulled off an impressive victory to finish their season with a 7-7 record. Comprised of fifteen girls, the team worked hard at making this years' season a success. Coach Dick Harmon returned from his retirement to coach the team. He gave the girls much support and guidance throughout the season. He had this to say about the team. "The girls played a lot better than at the start of the season. They all seemed to pull together and fill in the openings that were left by last years' graduating seniors." The Varsity Team was comprised of twelve girls. Singles players were Marcia Williams, Linda Briner, Andrea Suarez, and Sandra Taylor. The doubles teams were Dawn Bowers and Jemma Gonzales, Jamie Siebert and Julie Gabriel, Meagan Lombardi and Janis Hagnauer, Becky Trittschuh and Lori Hubert. The other members of the team were Ida Manninger, Chris Williams, and Monica Reznick. Marcia Williams, the number one singles player, was the first to go to state in a number of years. At the banquet, Sandy Taylor received the award for the best singles record. Meghan Lombardi and Janis Hagnauer received the award for the best doubles record. Marcia Williams received the top singles player honor.

1985 SEASON

The Granite City Baseball Warriors came into the 1985 season against some pretty tough competition. The Warriors got off to a 4-0 start, before they were dealt their first loss to Cahokia, 13 to 8.

The Warriors finished their season by losing in the Regional Finals to East St. Louis. 3 to 2.

The season record, however, was a respectable 20-15.

WARRIORS KEEP WINNING TRADITION ALIVE.

The 1985 edition of the Soccer Warriors enjoyed a very successful season before being upended in the Regional Championship. Frequently being rated #1 in the state of Illinois, the Kickers proudly finished in sole possession of the perennially tough Southwestern Conference. Although losting two Alf-States: (Terry Dutko and Scott Biason) and an Alf-sectional performer (Ne Gray), the tradition rich Warriors, guided by coach Gene Baker, set their goals for a 1986 state championship drive. Coach Baker proudly remarked, "I would like to sincerely thank this fine group of young men for their hard work, dedication, sportsmanship and discipline on and off the field. They complement Granite City High, this community and heir school soccer."

'LOVE OF SPORTS ' HAS A SPECIAL MEANING

Sixteen year old Mike Cook is a Sports Fan. Unlike most youths his age, he has never played Park League baseball or organized soccer. Cook has never walked on a baseball field or soccer field, but never-the-less, he is totally dedicated to sports! Mike Cook has Werdnig-Hoffmann Syndrome, a crippling muscular disease which is a form of muscular

Although he has never participated in sports as a player, it can be said that he has experienced the camaraderie that draws teammates together. For the past three years he has been soccer statistician for G.C.H.S. Mike has never missed a home or away game.

Coach Baker and the 1985 Soccer Warriors wish to thank Mike for all he has done to help our team!

The Freshman Soccer Team had a respectable 4-2-1 season. There were, as is always the case, several games we felt we should have played better than we did.

The team scored 19 goals while having 13 goals scored against them. Our goalkeepers recorded 3 shutouts. The freshman program is helping to make an already excellent soccer program even better. Many of these players will be better varsity players because of this program. Good Luck, Soccer Warriors!

THE "CURIOUS SAVAGE"

The play was about a family struggle for money. Mrs. Savage, played by Claudia Kachigan is institutionalized by her children, so that they could get control of her money. However, by hiding her bonds in her teddy bear, she outsmarts them. The play demonstrates that those who seek money through such desperate methods, live empty superficial lives.

RFD PFPPFRS-SPIRIT CLUB!!

The Spirit Club (Red Peppers) is involved in promoting school spirit. The club takes care of gimmicks, "secret pals," signs and barners, decorating, and different activities during homecoming. To be in Spirit Club you have to attend games, go to paint meetings, and participate in club activities.

Last summer the club had the gym floor painted, and this year it would like to have the walls painted, also. Offices you may run for are President, Vice-President, Secretary, and Treasurer. The club has committees for "secret pals," gimmicks, Homecoming, and other events.

1985-1986 MARCHING WARRIOR BAND

"The band organization is perhaps one of the most active in the school. Besides performing four concerts during the year, the band also plays for football and basketball games, several soccer matches, various wrestling meets, and several girls' basketball games.

This year the band participated in the Veiled Prophet parade and won \$3000.00. Another highlight was the playing for the baseball Cardinals' National League Championship Series.

The students certainly grow musically by being part of the band, which prepares them for most college or university groups. I believe we provide enthusiasm, spirit, and support for most

The Tri-M Music Honor Society represents a select group of musicians from both the band and vocal departments. To become a member of the society, one must have been enrolled in at least one semester of music, be in his sophomore year, have maintained a B average in music classes, and have maintained a C average in academic subjects. One also must be recommended by the director of his department. The society participates in various activities throughout the year. It always sponsors a float in the Homecoming parade. The society serves as ushers at the annual band and vocal concerts. The most important activity of the society is to arrange for pictures taken at prom, and design and build the backforp. The society may be a small organization within GC.H.S., but its presence and contribution to the school is much larger.

Membership in the Varsity Club is open to all students who have lettered in a varsity sport. Membership is also open to varsity cheerleaders.

The Varsity Club provides an opportunity for athletes from different disciplines to interact with each other. The club sponsors several fund raising activities each year. The most popular one is the "Donkey Basketball Game". The funds are used to finance inter and intra club activities. Several recreational night events are held each year between the Varsity Club and the National Honor Society. Some funds are used to assist some of our athletic programs. Last year the club held an afternoon Bar-B-Q in the park. In the evening, the members attended a night ball game at Busch Stadium.

S.A.D.D.

The S.A.D.D. committee is working to let teenagers and the rest of the community know that alcohol and driving don't mix. S.A.D.D.'s slogan is: Friends don't let friends drive drunk.

The club has been successful so far in their endeavors. On September 19 there was an all school assembly. This was the first time in three years the entire school was at an assembly together. S.A.D.D. also has a "Safe Ride" program. If anyone needs a ride home, S.A.D.D. will provide one for them, — no questions asked. Hopefully, in the future, the program will become even more of a success.

The purpose of Student Council is to promote changes suggested by the student body, representing them as a whole, to promote student-faculty relations, and to promote school spirit and citizenship in our high school and in the surrounding community. Student Council has the responsibility to serve others. The organization is involved in the following services: parking stickers, sales calendar, the marquee, Student of the Month, Christmas baskets and a shopping spree for needy families, blood drives, Thanksgiving baskets, and "Toys for Tots". Other activities include school dances. Homecoming activities, Christmas week activities, some assemblies, May Carousel and Prom. Mr. Steve Hamilton is sponsor of Student Council.

Office Occupations Cooperative Education is a program which permits students to attend school for four hours a day and then work in an office the remainder of the day. Currently, there are 35 business education students working in the offices, which include offices in industry, doctor's offices, banks, retail stores, and government agencies. It provides on-the-job training for students, and often results in full-time employment for the students after graduation.

Vocational Child Care is a course designed to prepare students for work in early childhood education. In this class the students gain actual experience working with pre-schoolers.

Miss. Catherine Reibold is in charge of the Child Care classes.

Office workers are The Unsung Heroes of any large school. These students valunteer their time to carry messages, collect attendance slips, shelve books, duplicate school bulletins, and to do many other tasks assigned to them by the permanent staff. In short, they make the system work! They are certainly deserving of praise long overdue them, for their contribution to the smooth operation of our school.

The Entertainers- Acting 2 Classes, tour the Junior High Schools and Parochial Schools with original songs, dances, and skits. The Individual Events students prepare material for one of twelve events. The team travels and competes in tournaments. This year's students competed in the following tournaments: Parkway South, Parkway Central, Bradley University, Mater Dei, Bellville West, Benton, Mr. Vernon, Kaskaskia College, IHSA regionals, IHSA sectionals, and the IHSA State Tournament. Last year, James Drago placed first in the National Forensic League, another tournament the students compete in. James also represented Granite City Senior High School in the National Tournament last summer, doing a dramatic interpretation.

STAGECRAFT

Stagecraft is a class, but it is also an activity which is part of the speech department. The stagecraft students build all the scenery for all the plays that are performed as well as for May Carousel. They also run the lights, set up microphones, and handle the stage equipment for any activity or performance held in the auditorium. These students spend many afternoms and evenings working on the stage, throughout the entire school year. Classtime activity is less than lifty percent of what they actually do.

The May Pole- only one of many items constructed by the Stagecraft students.

This year's winter play was about a young man, David Kolowitz (played by James Drago), who wants to be an actor in the theatre or in a movie. David's mother, father, girliriend, and boss all feel he should be a druggist. David has a little surpise. He joins a theatre group and tries out for a play. Then the fun and complications begin. The winter play was directed by Mr. Gordon Mueller. It was very well received by the audience.

SIX LONG-TIME G.C.H.S. TEACHERS RETIRE IN 1985

Mr. Gordon Galbraeth 1957-1985

Mr. Joe Hanson 1954-1985

DO YOU MISS THEM WHEN THEY'RE GONE?

In recent years, as the school populations of the Granite City Schools has dwindled, many schools have been closed or consolidated, and the younger members of the teaching staff have been laid off, resulting in an ever increasing average age of the teaching staff. Most members of the faculty began their teaching careers in the 1950's and the 1960's, and as a result, we will soon be seeing many of them retiring and leaving teaching. Unfortunately, the wisdom and dedication they bring to the profession, the extensive academic preparation which they have in their respective fields, and the many years of experience they have in working with high school young people, will not be easily replaced.

Last year, seven key members of the G.C.H.S. staff left us for retirement, — six teachers and Mr. Walmsley's secretary, Mrs. Dorothy Luckert. It is hard to believe, but the six faculty members who relired had laught a total of 178 years, — nearly all at G.C.H.S. During those years, the force of their personalities and their instructional skills touched the lives of countless students, helping to develop their character and preparation for adult careers.

The six faculty member who retired were:

Mr. Bill Albers, who started teaching in 1954. He taught at Webster and at Coolides Junior High, as well as at the high school, beginning in 1963. Mr. Albers earned Bachelor's and Master's degrees from St. Louis University, and was an instructor in American history, as well as Audio-Visual Alds Coordinator.

Mr. <u>Gordon Galbraeth</u>, holds Bachelor's and Masters's degrees from Eastern Illinois University. He began teaching in 1957 in the Industrial Education department. He was drafting instructor and was an administrative consultant in audio-visual equipment for the school district.

Mr. Joe Hanson earned a Bachelor's degree at SIU- Carbondale, and a Master's in business from University of Illinois. He was an instructor in business and computers, and was Business Department Head. He bearn teaching in 1954.

Mr. Dick Harmon 1954-1985

Mr. Joe Kutosky 1963-1985

Mr. Bill Schmitt 1950-1985

Mr. Dick Harmon also began teaching in 1954. He holds Bachelor's and Master's degrees from SIU-Carbondale. He was a physical education instructor and Head Tennis Coach.

Mr. Joe Kutosky, who was an instructor in vocational machine shop, starting in 1963. He earned Bachelor and Master's degrees from Colorado State University.

Mr. Bill Schmitt "Schmitty" began teaching social studies at GCHS in 1950. He earned his Bachelor's degree at Shurtleff College in Alton, and his Master's from the University of Illinois. Mr. Schmidt was a P.E. Teacher as well as a social studies instructor, and as Head Wrestling Coach, he produced many championship teams, establishing the "wrestling tradition" in sports at Granite City.

Although we wish them well in retirement, these gentlemen, master teachers, all will be sorely missed by their former students and by their colleagues who remain on the staff of Granite High.

Mr. Frank Kraus, former superintendent, Also retired in 1985.

Mrs. Dorothy Luckert Secretary

Mr. Walmslev's secretary, Mrs. Dorothy Luckert, also retired last year, and was replaced by Georgeann Georgeff. Mrs. Luckert worked for many years at the high school. She was secretary to principals Lawrence McCauley, James Dumont, and Mr. Walmsley. She is fondly remembered for her sunny disposition by those who know her.

G.C.H.S. STUDENTS SHOW CAN DO SPIRIT!

- 1. Mr. Rowden, Mr. Pennell and Mr. Haug take justifiable pride in turning out yet another class of graduates in the spring of 1985!
- 2. Coach Schmitt can barely contain his elation as his wrestlers take another win last season.
- 3. National Honor Society meets Tito Landrum of the St. Louis Cardinals.
- 4. Mr. Miller, constantly willing to lend his support to our school!
- 5. Coach Baker shows his Soccer Warriors "all the right
- moves" necessary to collect another championship!
- 6. Mr. Rensing's class: "First the hypothesis, Then, the experiment. Finally, - proof positive!"
- 7. Mr. Champion demonstrates by practical example, that
- you must first walk, before you can drive! 8. Treading the hallowed halls of ivy - G.C.H.S!
- 9. Mr. Miller, as co-pilot, has his eyes on the controls,
- while the student driver plays to the camera.
- 10. Mr. Kowalewich takes a call in his private office.

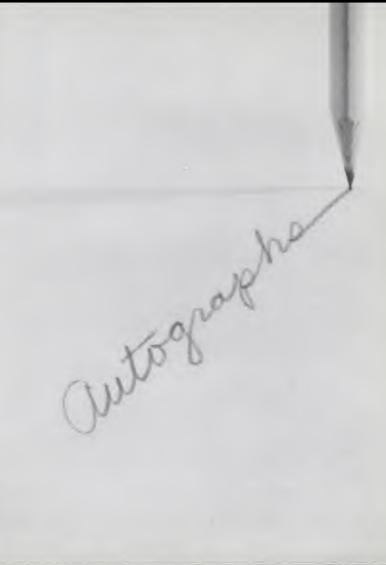

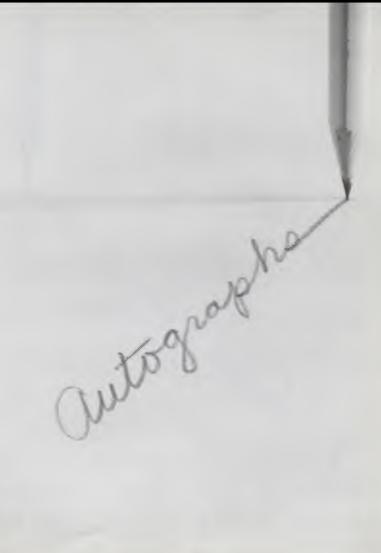

will be in your 90's

Five spacecraft representing 20 nations, were sent to observe and photograph its return last November. It should pass out of sight by mid-May, 1986. Hope you didn't miss seeing it in the Southern sky. If you did witness the event, it will be something to tell your children about!

See you next year. The Warrior Staff
